# Paradise Prosecco

*Riverland, Australia*

A dry, fresh and crisp style of Prosecco with fresh citrus, stone fruit aromas and flavour and a long, dry finish.

Delicious on its own or when paired with Aperol or Campari in as a spritz (it makes for a great cocktail as it is fresh and dry).

*Sustainable, Vegan*

## Terroir Project

*Australasia*

Terroir Project is a showcase of single-vineyard wines with unique terroirs from around New Zealand and Australia. The wines are incredible translations of vineyard site and soil, and for the technically minded among us, the back labels offer all of the following information on each wine too.

*Vegan*

## Selection Massale

*Marlborough & Central Otago, New Zealand*

Founded by Dan Gillett in 2021 to help grow New Zealand's ever expanding new wave of natural and organic winemaking. Stylistically, Selection Massale is serious and well-made wine that speaks to the vineyard, the variety, and the region it comes from. The wines are approachable and designed to be shared and enjoyed by all audiences. Selection Massale is now exported to over a dozen countries worldwide.

*BioGro Certified Organic (6430), SWNZ Certified Sustainable, Vegan*

## Big Fizz

*Marlborough, New Zealand*

2023 marks the third iteration of Big Fizz, one of our best-selling sparkling wines of all time and certainly one of the best sparkling rosés we know of! This time round 2023 Big Fizz is made from certified organic Pinot Noir, Syrah and Sauvignon Blanc from Marlborough, New Zealand.

A very pale pink in colour, Big Fizz is the perfect sparkling wine to start a night on or keep sipping on all throughout the evening too. Ripe citrus, light red fruits, totally dry finish... it's fizzy, fruity and dry, and bang on what we want to drink!

# Park Wines

*Nelson & Marlborough, New Zealand*

Park Wines is an ongoing natural wine project between two great mates Dan Gillett (Wine Diamonds) and Jos Ruffell (co-founder, Garage Project).

Seeing the need for locally-made, approachable (and affordable) natural wines that showcase both style and terroir, they combined forces (and wines), bringing together organic fruit from their two BioGro-certified vineyards in Nelson and Marlborough, and making them together in Marlborough.

Park Wines are made to be fun, easy-drinking and embrace all of what brought Dan and Jos together in the first place: good time, delicious, adventurous natural wines to enjoy with friends around a dinner table, by the pool or on a sunny blanket at the park.

Organic grapes, wild fermented, with minimal intervention and minimal added sulphites.

## La Famille

*New Zealand, France, Spain & Italy*

La Famille wines take classics from all around the world – wines such as Pinot Grigio, Montepulciano and white Burgundy – and showcase the best they have to offer at accessible prices. The wines are true to type – regionally, varietally and stylistically true to their roots. All are from certified organic or biodynamic vineyards too.

*Certified Organic, Vegan*

# Ciello

*Sicily, Italy*

Ciello is owned and run by the Vesco family, now owners of the 1860-founded Cantine Rallo in Marsala, Western Sicily.

Grown organically, wild fermented, unadjusted, unfiltered, unfined - the Ciello wines are delicious, youthful examples of Sicilian classics Catarratto and Nero d'Avola.

# Domaine du Château Saint Cyrgues

*Costières de Nîmes, France*

Located in Saint Gilles, which borders the Camargue region (think wild white ponies and fresh French salt) at the mouth of the Rhone River, Chateau Saint Cyrgues was built on the ruins of the Church of Saint-Cirice de Marge in 1654. This abbey had at one time been part of the Saint Cyrgues priory, where cultivation of vine was part of the monks' daily rituals, as was drinking Vin Jaune. Today, the Domaine produces excellent, forward-thinking wines that honour their region and history.

Salamandre Rouge is a juicy and spicy 100% Syrah, de-stemmed with a 3 week maceration, full of dark berry acidity and equally rich in colour and body.

*Certified Organic, Vegan*
